

# Enough! Eradicate Bullying in Healthcare: Practical Strategies for Leaders

77% of leaders have witnessed incivility at work. Unchecked disruptive behaviors drive 40% of nursing turnover.

## Cultivate a Respectful and Professional Work Culture

Workplace bullying and incivility are on the rise. Without an intervention, it's likely to get worse leading to turnover and burnout.

### What if it didn't have to be this way?

This workshop, equips leaders with the knowledge, skills, tools and confidence needed to eradicate workplace bullying and incivility.

## Workshop Benefits

Leaders will learn:

- How to identify what bullying is and what it's not
- Strategies to address disruptive behaviors
- How to set behavioral expectations as an interprofessional team
- How to hold team members accountable for professional conduct

When leaders have the skills and confidence to address disruptive behaviors, they create healthier, more professional workplaces - ones where team members are engaged and want to stay.

## Our Clients Are Saying...

Don't just take our word for it – hear from our clients who attended this workshop.

Strategies to build a team that helps each other    Scripting resources  
 Specific response to difficult situations

Interactive    Practical strategies    Dynamic speaker    Humor    Engaging
